WILMINGTON, MASS. - WEDNESDAY, OCTOBER 15, 1958

PRICE 10c

James Kerr New Head Of Wilmington's Division Of AVCO's RAD

James R. Kerr, vice president of Avco Manufacturing Corporation and president of the Lycoming Division, also has been named president of the Research and Advanced Development Division at Wilmington, Mass.

Dr. Lloyd P. Smith, former head of the Research and Advanced Development Division, has become Avco vice president in charge of research planning at the New York headquarters.

Mr. Kerr is shown on his fourth anniversary of service with Avco Manufacturing Corporation. In October, 1954, he joined the company as director of its West Coast division and assistant general manager of Avco RAD. He later was named director of the corporation's office of defense planning and became president of the Lycoming division in May, 1957. A former Air Force officer, he was on the staff of General Curtis LeMay during World War II, and later served in various executive capacities for the Air Material Command. Mr. Kerr, a vice president of Avco, will also continue to serve as president of the corporation's Lycoming division in Stratford, Conn., and Williamsport, Pa.

5-Year "Follow-up" Study Of Wilmington H. S. Graduates - 1954-58

The Guidance Dept. of the Wilmington High School is conducting a survey of former pupils. This study will include boys and girls who have been graduated since 1954, whether at home, employed, in college or in the armed forces. The questionnaires are being mailed out to them about the school program.

The purpose of this survey is to obtain objective facts about their accomplishments and to find out strengths and weaknesses of the school curricula. In order that the study may be of value, it is urged that the former students help by completing these survey forms and returning them to the guidance office so that a goal of 100 per cent is realized.

A "follow-up" of former students is considered by educators as one of the most important basic services of the school.

Names and addresses of members of the graduating classes of 1954, 1955, 1956, 1957, and 1958 who are no longer residing in Wilmington will be greatly appreciated. Contact by phone or student messenger, Mr. Hamilton at the guidance office of the high school. Telephone OLiver 8-4863.

V. F. W. Social Saturday

The regular monthly social and drawing of the V. F. W. post 2458 will be held at 8:30 Saturday evening, Oct. 18, at headquarters on Main St.

Chairman Tom O'Connor declares that there will be a surprise menu pleasing to all and that the affair is open to the public.

Father Mackin delivers eulogy to Pope Pius XII at Mass for the beloved pontiff Monday. Father Palmieri is at the right.

Catherine Duggan Passes Away

Mrs. Catherine (Brazil) Duggan passed away unexpectedly at her residence, 4 Washington St., on Tuesday, October 7. She was 77 years old and had been a resident of our town for the past 30 years. She was a well-loved member of Wilmington's DAV Auxiliary. She was the wife of the late John Duggan.

Mrs. Duggan is survived by her seven children, John W., Thomas R., James G., W. Paul, and Mrs. Margaret Imbimbo, all of Wilmington; Joseph G. of Manchester and Charles of Woburn. She is also survived by 27 grandchildren and 14 great-grandchildren.

Funeral services were held at the William S. Cavanaugh and Son Funeral Home on Main St., on Friday, October 10, at 9:15 a.m. Services were followed by a Solomonic High Mass of Requiem celebrated by Father Tyrell at St. Mary's Chapel. Father Leahy served as Deacon of the Mass with Father Kelley as Sub-deacon.

Bearers were all grandsons of Mrs. Duggan: Francis, William F., Henry, John, Gene and Paul C. Duggan.

Members of the DAV Auxiliary Honor Guard included: Mrs. Rose Gatta, Mrs. Mary Starr, Mrs. Anna Mead, and Mrs. Ann Marlin.

Interment was in the family lot at Wildwood Cemetery where committal prayers were read by Father Tyrell.

Funeral arrangements were under the direction of the William S. Cavanaugh and Son Funeral Home.

GEORGE SPANOS "COMING ALONG FINE"

George Spanos of Salem St., has been confined to his home for the past week by illness, but is reported to be well on the road to recovery now.

It is expected that George will soon be able to return to his work at Lucci's Market where he has been employed for the past year.

We wonder, George if you realize how much you were missed at the football game last Saturday?

Building Inspector To Seek Injunction Against Allstate

Building Inspector Minot Anderson was scheduled to confer with Town Counsel Phillip Buzzell Tuesday afternoon and draw up final plans to ask the courts for an injunction to stop the removal of gravel from the Concord St. pit owned by Pleasant Homes.

The pit, for which no permit has been issued, is operated by Gerard Bruno of Woburn St.

The trucks have been observed hauling gravel from the pit for over a week, causing concern to residents of the town and town officials.

Booster Parade

This is Booster Week. The highlight of which will be a torchlight parade Friday, Oct. 18, between 7 and 9 p. m. The football team, cheerleaders and the field hockey team will canvass the town to renew your memberships and add new members.

The button of this year will have a new look. The parade will start from the Silver Lake Bet-terment Hall at 7 p. m. sharp. Watch for us; we'll be looking for you.

Slogan for the week: "Now that the team has won one, we have just begun, to keep them on the run."

AMERICAN LEGION POST 136 MEETING

There will be a regular meeting of post 136, American Legion, Thursday, Oct. 16, at the post quarters on Middlesex Ave., at 8:30 p.m. All members are expected to attend.

THE BOOSTERS NEED A BOOST

A lot more is needed to play a good game than a ball and a field. No matter what game, players need the feeling of being supported by their schoolmates, their parents, their town folk.

With that thought in mind a small group of parents of high school youths banded together last year and formed a Boosters club. The main purpose of the group is to show the young athletes that their efforts are appreciated, by attending games, awarding trophies and winding up the athletic season with a flourish by holding banquets.

Most organizations have trouble raising money. The Boosters have not had as much trouble in this way as they have had, however, in raising interest in people to become members of the group. Their fund raising activities have been very well received by the people of the town. But raising the funds, and spending them, has fallen to a small group of about nine members.

Whether it is because people think the job is being well done, and therefore that they are not needed; or whether it is lack of interest is not clear. By donating money, people have shown their interest. The merchants have donated in many ways, some outstanding, to help the venture. It may be that people feel all is running smoothly and that they are not needed.

But the nine who are, at the moment, bearing the burden cannot be expected to do it alone much longer. It is an imposition to expect them to devote so much time from their own lives to a project that benefits so many, without help from those who are benefitted, directly or indirectly, by an effort to raise the morale of our youthful athletes, and therefore the morale of the town.

A GREAT FINDING IN A GREAT LOSS

No greater tribute can be paid man that was paid during the past few days to Pope Pius XII as peoples of every race and creed paid their respects to the head of the Catholic church.

And nowhere was there a greater show of honor than here in Wilmington when members of every religion attended a Mass in St. Thomas' church Monday morning.

Representatives of every veteran's organization, civic group, and service club attended. A feeling of sorrow grouped together the bitterest enemies, people whose lives had always followed different paths, whose thinking had run transverse since birth.

In the loss of this, one of the greatest men of our time, we have found much, as we laid down prejudices and knelt together, a trace of his greatness touched each of us for a moment.

Workmen are shown laying cement walks on Wilmington's common, restored to its intended state this year. The walks, with the center area for flowers, were designed by Town Engineer George Maynard. The common has been loamed and seeded and should appear next spring as the place of beauty originally intended.

AIR FORCE BALLISTIC MISSILES CENTER COMMANDER AT AVCO RAD DIVISION

Major General Ben I. Funk, commander of the Air Force's new Ballistic Missiles Center, discussed ballistic missile production and delivery plans with Avco officials today during a visit to the corporation's Research and Advanced Development Division at Wilmington, Mass.

General Funk's command, which was established at Inglewood, Calif., last month under the Air Force's Air Material Command, is responsible for acquisition and delivery of ballistic missiles and space vehicles. It is concerned principally with procurement, production, supply and maintenance.

While at the Avco division General Funk and members of his staff discussed various phases of the Air Force's Titan nose cone program, for which the Avco division is prime contractor. The Air Force announced in July that Avco had also been selected to do research and development of the nose cone for the Minuteman, a solid-propellant missile designed for instant retaliation.

General Funk and his party also inspected the division's environmental laboratory, where conditions of missile flight can be simulated on the ground, the ballistic range and other facilities being used at Wilmington for Avco's advanced research in missile and space projects.

Just prior to the Wilmington visit General Funk held similar conferences and observed facilities at the corporation's Lycoming Division in Stratford, Conn., which produces ballistic missile nose cones developed at Wilmington.

Over 100 General Motors Scholarships Available To Wilmington Students

Senior students at Wilmington High School are eligible to compete for more than 100 four-year college scholarships offered by General Motors under its National Scholarship Plan, according to Mr. Hamilton, Guidance Director.

The competition is open to high school seniors who are United States citizens and who plan to take the College Entrance Board examination for admission to the college of their choice, or who arrange to take the examination in order to compete for a GM award. There is at least one GM award in each state and more than 50 winners chosen at large. Seniors awarded scholarships under GM's National Scholarship Plan may attend any college or university of their choice and pursue any course of study.

More than 400 students are now attending 100 colleges and universities under the Plan, initiated in 1955. Their career objectives include engineering, medicine, law, the sciences, journalism, teaching, music, religion and other worthwhile fields.

Selection of award winners in the GM National Plan is made by a group of leading educators representing various parts of the country.

Full details of the competition, including registration dates for examination, are available in Mr. Hamilton's office.

General Motors offers other scholarship opportunities. Under its College Plan 302 four-year college scholarships are awarded annually by 180 colleges and universities located in 48 states and the District of Columbia. A list of the participating colleges may be obtained from the principal's office. Selection of award winners under the College Plan is made by the respective colleges and Universities. Students wishing to be considered under this plan should apply directly to the college of their choice.

Awards under both plans range from \$200 to \$2,000 per year depending on the student's needs.

Captain Irving Johnson For Carter Lecture In Wilmington

On Saturday evening, November 15, 1958, in the Barrows Auditorium at 8:15 p.m., the Carter Lecture Committee will offer a rare opportunity to the people of Wilmington, when they present Captain Irving Johnson of the famous Brigantine "YANKEE", with his latest travelogue - "TRADE WIND ISLANDS - Pitcairn to Zanzibar."

Captain Johnson returned in May to Gloucester, the Yankee's home port, after completing his sixth trip around the world. With a young amateur crew, he sailed among some of the world's most romantic and adventure-packed islands in the South Pacific and Indian Oceans. Eight cameras and four aqualungs combined to capture thrilling scenes above and under the sea.

Many articles by Captain and Mrs. Johnson have appeared in the National Geographic Magazine.

Through the generosity of the late Sarah D. J. Carter these programs are offered free of charge to the townspeople. The Committee extends a cordial invitation to see and hear this world-renowned traveler.

EVENING CLASS ENROLLMENT

The total enrollment for the evening classes at the Wilmington High School is 691 including Tuesday and Thursday evenings.

The following classes are still open for registration:

Tuesday Evening:

Foods, (Women), Woodwork-in, (Men and Women), Practical Mathematics, Bookkeeping, Public Speaking, Fabric Painting.

Thursday Evening:

Rug Hooking, Slip Covers, Decorated Ware, Furniture Refinishing, Upholstery, Practical Mathematics, Bookkeeping, Blue Print Reading and Drafting.

Some registrants have attended an evening class and thought they were in the wrong class, and have never returned to begin in the correct class. Others have come and seen that a class may be overcrowded, and they also left. Accommodations will be made for all.

Mr. DeLuca would like to inform these people that if they contact him in the Guidance Room of the High School on Tues. or Thurs. evenings he would be glad to assist them.

It is only natural that classes would be in a state of confusion at the beginning, but as things straighten out, it is hoped that more registrations will be obtained.

So don't be discouraged, come and register and attend these classes to further your education or widen the scope of your arts and crafts ability.

Woburn Street To Be Repaired

Town Manager Alfred Calabrese said Tuesday morning that the portion of Woburn St., ripped up for the sewer line would be resurfaced this fall.

While the apportionment was not available at that time, it was evident that some money was left under the contract, and that the town would make up the rest.

Under the terms of the contract, the street was to be put back in its original condition only if the money was not all expended in laying the sewer line. The finding of more ledge than was anticipated resulted in much delay and added cost.

WILMINGTON TOWN DEMOCRATIC COMMITTEE NEWS

by Fay Cantrell

The Wilmington Town Democratic Committee held its monthly meeting Tuesday evening, Oct. 7, at the home of Honorary Chairman, Mrs. Elizabeth Kelley. Guests present included Attorney William Madden from Lexington, candidate for the office of State Senator and Patrick McDonough, representing Thomas F. Donahue of Woburn who is seeking re-election to the office of Representative in the 18th Middlesex District. Representative Donahue was a president of the Woburn Council for four years and is now a full-time representative.

Mention has been made by residents concerning our last primary election that during the voting procedure persons approaching the bench to receive a ballot, rather than being asked what party ballot they desired, were instead greeted by the question, "Republican?" and then handed a ballot of the same name. Those who quick-thinkingly stated negatively and uttered their party preference received the ballot they traveled to the poll to get. Regrettably, however, those undecided had their decision made for them before they realized it. They were handed a ballot, and not always the one they would have preferred. It is the responsibility of voting age residents to register to vote and those who vote in a primary election should notice if the proper party designation is placed beside their names, as human error does occur in that capacity.

People often remark "What difference does it make whether I vote Republican or Democratic?" It makes a tremendous difference, to those candidates seeking election. It is the means by which an individual citizen expresses his evaluation and selection of qualified officeholders.

Wednesday evening, Oct. 8, W.T.D.C. members attend-

ed a workers' meeting held in Somerville by Executive Councilor Joseph Ray Crimmins, who is seeking re-election on his OWN name. The Councilor outlined his campaign plans. This meeting was attended by toastmaster Joe Ryan of Somerville, and John Zamparelli of Medford, who spoke concerning Councilor Crimmins' achievements. Mayors of surrounding cities were present, as was Mayor Samuel Pollard of Lowell who spoke regarding Councilor Crimmins' cooperation for the territory that he represents here. Hundreds of people were at this gathering to pledge their loyalty and extend their best wishes for his coming re-election.

A special meeting of the W. T. D. C. will be held Monday, Oct. 20, at 8:30 at the Committee Headquarters, 39 Shawshen Ave.

On Oct. 23, ex-president Harry Truman will be at the Sheraton Plaza in Boston. Contact a committee member if ticket reservations are desired.

Food for thought: One definition of the age-old question . . . The basic difference between the Republican and the Democratic party:

The Republican Party believes that whatever is good for Management and Industry is good for the people.

The Democratic Party believes that whatever is good for the people is good for Management and Industry.

EMARC News

Guest speaker of the first fall meeting of the East Middlesex Association for Retarded Children, Inc., was Dr. Louis B. Klebanoff, Supervisor of Community Mental Retardation Clinics. Dr. Klebanoff informed the audience that there are 27 pre-school clinics established in Massachusetts and that their goal is to help retarded children with speech pro-

blems and meter control and prepare them for special classes in regular school.

He stressed the fact that these were community projects. The housing and materials are provided by the community and the state pays the salary of the teacher. This constitutes a very great saving to the state. Dr. Klebanoff also answered many questions asked by the parents.

Mrs. Warren Dawe of Wilmington, supervisor of the Summer Day Camp, reported it a very successful venture. There were 17 children attending. These children enjoyed two field trips - one a trip to the Middlesex Fells Zoo and the other a cook-out at the home of Mrs. Dawe.

The association voted to pay the assistants to the teachers of both the Wakefield and Woburn Pre-school Clinics. Previously, these services had been volunteered. Mr. John McNeff of Stoneham, the vice-pres. conducted the meeting in the absence of the President, Mr. Harold Trekel.

Reading and North Reading members provided the refreshments that were served.

The next meeting will be held at the Y.M.C.A. in Wakefield on October 29, 1958 at 8 o'clock.

NOTICE OF CHANGE IN MEETING DATE

The Board of Health will hold its next meeting on Tuesday, October 20, 1958 at 8:00 P.M.

Thereafter meetings will be held on the first and third Mondays of the month.

Some of the forty apartments at Wilmington's home for the elderly project are shown as they near completion. Bricklayers are expected to leave early this week as plastering and inside work get into full swing. The Burlington Ave. site is expected to be ready for occupancy by Thanksgiving, and potential residents are often found checking progress of the work, indicating their anxiety to occupy the nest, three room apartments. Work will begin shortly on the community building.

Wilmington Wins, Over Bedford, 8-0

The team shows its strength. Just before the Bedford game, Wilmington players and coaches pose for photographer.

WILMINGTON WINS OVER BEDFORD, 8-0

The Wilmington High School eleven snapped a two game losing streak last Saturday and defeated Bedford High by a score of 8-0. Playing defensive ball during the first half, Wilmington opened up offensively in the third quarter and with Rooney and Munroe carrying the ball crossed over Bedford's goal line but fumbled, Bedford recovering to place the ball on the twenty yard line.

Holding on the next four downs, Wilmington took possession of the ball and a pass from Munroe to Rooney hit pay-dirt. Munroe went over for the conversion points. Bedford threatened to score in the fourth period, but Wilmington recovered on a fumble and brought the ball to Bedford's three yard line when the game was ended.

Registrar Clement A. Riley Says: The excitement of the football season is contagious. Avoid a "Let-Down" driving to and from the game. Get there and home again safely!

A group of snappy majorettes lead the high school band on the field to cheer the team on to victory.

The cheerleader section leads the Wilmington spectators as they cheer the high school football team to their first victory of the season.

Billy Rooney is brought down on the eight yard line, just before he received a pass from Munroe for a touchdown.

Wilmington PTA Meeting October 21

The first general PTA meeting of the season will be held at 8 p.m. in the small, high school cafeteria on Tuesday, October 21.

This meeting will be important because radical organizational changes are planned. In all probability this 12 year old organization will change its name and divorce itself from state and national affiliation in an effort to form a council of Wilmington parent and teacher clubs. The town growth and increase in the

number of schools in recent years makes this step necessary.

The idea is supported by superintendent of Schools, John Collins, all school principals and the majority of parents. The purpose of the Council will be to organize strong parents clubs in all school or groups of schools and to bring about a closer relationship between parents and teachers on a classroom basis. All officers of the individual clubs or representatives would become members of the council. The latter will act as an advisory group and work closely with the school committee on a townwide scope.

All PTA members, parents and members of school parents clubs are urged to attend to help in forming this new group.

At this meeting the PTA will present the school system with two 21 inch TV sets. These were purchased with funds resulting from the spring dances. The sets will be the first school-owned, enabling Wilmington to better participate in the specialized state TV educational programs.

Plans will be discussed to increase the student scholarship fund which is available to qualified Wilmington High School graduates who plan to enter the teaching profession.

Following the business meeting, refreshments will be served.

Book Auction

There will be another Book Auction at the Wilmington Methodist Church Education Building on Saturday, October 18. We would like to have any books that you may have to spare - whether they be funny books, paper backs, reference books, or fiction or non-fiction. The last auction was most successful and enjoyed by all. If you have not sorted books for a few years, we suggest that you sort out the ones you no longer particularly care for, and we will pick them up. Then come to the auction and replace them with others, which you have not read.

Give us a call at OLiver 8-2670, 8-4519, 8-8052, or 8-4343, and we will arrange pickup for you. Thanks!

ORGANIZATION NEWS

DAV Hi-Lites

Chapter 106 wishes to thank the people of Wilmington for their generous support during our recent Forget-me-not Drive. The financial help we received will enable the Chapter to carry on the hospital work which is the most important activity of the DAV. The hospitalized veterans whom we will serve will be most grateful for your help.

We find that our paid up membership now totals 72 which is a good figure for this time of the year. But the goal of the chapter this year is a membership of 100. If all our members who are not, as yet, paid up for this year, will do so soon, this figure can be reached very easily. Commander Gustus urges all members who may have overlooked their dues this year, to pay them soon so that Chapter 106 can take its place as one of the strongest in the district.

There will be a regular meeting of the Chapter on Wednesday evening Oct. 15 at 8:30 p. m. We hope to see many new faces at this meeting. Many of our plans for the Fall season will be discussed so we hope for a large gathering.

Whitefield Assn. Supper

A supper and meeting of Whitefield Assn. will be held on Sat., Oct. 18, at the Odd Fellows Hall on Bay St. All members are requested to attend this meeting to plan and arrange a program for the winter months.

Independent Order of Odd Fellows will hold their installation on Tues., Oct. 28.

Stolen Car Located Here

An automobile belonging to James Steady of 266 Chelmsford St., Lowell, was found here at 11:30 a.m. Sunday.

The '52 Nash Rambler had been stolen from the grounds of the Tewksbury State Hospital Saturday morning.

CANTEEN CALLING

Friday nite chaperons at the Canteen Hall were Mrs. Jean Gifford, Mr. McFeeters, and Mr. and Mrs. Kleynen. There were about 60 Canteeners present.

E. B. came in his crazy convertible; R. P. in his Model A. Pretty soon everyone will be driving an antique car.

Guess we need traffic lights near the bathroom doors when the crowd is real large.

H. M., J. C., and J. M. dropped in for a little while.

We noticed J. B. came without her Eddie, but he showed up later.

Did you go on our cool Hay Ride yet? They are the most!

By the way, is your car dirty? Get it washed Saturday morning Oct. 18, in front of the Canteen. We'll be ready!

Remember the record hop Nov. 10, with Don Clark, disc jockey for WCCM. Come and support our Canteen.

Just think of the wonderful facilities we could have with a little more support and money.

Canteeners wish to thank Mr. and Mrs. Albert Blackburn for being chaperons for Saturday nite.

Also thanks to Mr. and Mrs. Platt for chaperoning on the Friday nite Hay Ride.

The Canteeners at this time would like to thank the editor of the Crusader for the fine editorial written last week on the work the Canteen is doing. We plan to display it on our bulletin board.

Report respectfully submitted by Sharon Phillips

CORRECTION

The following correction is to be made to inform the Legion Auxiliaries that dues should be paid by Oct. 15, and they are to be sent to Mrs. Marguerite Harper of Crest Ave.

This paper informed you that they were payable on Nov. 15, and we wish at this time to make the correction. Thank you.

OBITUARIES

Roland Deming Passes Away At 50

Roland C. Deming of Federal St., passed away on Friday, Oct. 7 following a brief illness. He was 50 years old. Mr. Deming was born in Wilmington and had lived all his life here. He was a member of Friendship Lodge of Masons and was treasurer of the Congregational Church. Prior to his illness "Rollie" had been employed for over 15 years as an accountant by Monsanto Chemical Co., in Everett.

Besides his beloved wife, Christine (Bennett) and his son David, both of Federal St., Mr. Deming is survived by his father, Harry R. Deming, also of Federal St. He also leaves his brother, Rupert of Everett.

Funeral services were conducted on Friday afternoon at 2 from the First Congregational Church. Services were conducted by Rev. Stanley Cummings who was assisted by Rev. Donald Tibbets, former pastor of the First Congregational Church of Wilmington, now of Saugus.

Bearers included: Ernest Eames, Arthur Boudreau, both of Wilmington; Gilbert Lawrence of Andover and Carl Folsom of Revere.

Interment was in the family lot at Wildwood Cemetery. Funeral arrangements were under the direction of Guy E. Nichols.

Firemen Appoint New Vice President

Last Tuesday evening, members of the Firemen's Assn. conducted their regular monthly meeting at the fire house, with Pres. Danny Wandell officiating.

The resignation of the pres., Ray Dewhurst some time ago promoted Mr. Wandell to the position of vice pres. vacant. During this regular meeting, the members appointed a committee of three to name the new officer. Francis Downs, a long-time member of the group accepted the appointment.

Following the business meeting, refreshments were served.

Registrar Riley, Chairman of the Massachusetts Highway Safety Committee Says: The no-fix traffic system established several weeks ago is continuing throughout the commonwealth by all police departments. Courteous, cautious, common-sense driving is the watchword of the day. Please cooperate. Obey the motor laws and rules of the road. The life and license you save may be your own!

IT'S A DOG'S LIFE— and many a human might envy the life of a dog here. The building above is the dog pound, owned by Ventura Canales on MacDonald Rd., where stray animals picked up in Wilmington are sent to be cared for until called for or disposed.

The heated building, complete with hot and cold running water, and separate cages, is kept clean by Mr. Canales, who also disposes of bodies of dogs who must be put away.

In the isolated spot, howling of the dogs, who have numbered 25 at a time, is annoying to but a few.

Check Recovered, But Thieves Lost

A check stolen at the Sunnyhurst Dairy last week was recovered by a suspicious druggist, but the youthful thieves fled before police arrived.

Miss Dorothy MacDonald was carrying the \$39 check made out to her father in a wallet which was stolen at the Main St. Restaurant. The following day a Lowell druggist became suspicious when two boys attempted to cash the check, and called Mr. MacDonald. The boys became alarmed and left before they could be apprehended.
